Through its business, TOYOTA creates close relationships with society and its stakeholders (customers, shareholders, local communities, etc.). Based on the basic understanding that “as a member of society, the company engages in business that contributes to society”, TOYOTA operates its business in an open and fair manner. Through active public relations activities, investor relations and philanthropy, TOYOTA aims to be a “good corporate citizen” that is trusted by the international community. TOYOTA’s business is expanding rapidly worldwide. TOYOTA feels that the support and trust of stakeholders in TOYOTA has helped the company realize such expansion, and TOYOTA should not forget gratitude towards its stakeholders.

Thus, TOYOTA will respond strictly with respect to illegal or criminal acts and acts that are not socially acceptable, regardless of whether job-related or whether in private situation. TOYOTA also strongly desires that the people working for TOYOTA, a company engaged in automotive business, are aware of traffic safety and lead safe and pleasant lives.

We support TOYOTA’s aim “to become ‘a good corporate citizen’ that is trusted by the international community”. We strive to communicate openly and fairly with stakeholders, to gain more “Toyota fans”, as well as to engage in activities that contribute to society’s sustainable development. We must also act, at all times, including when carrying out our works, in a manner that does not provoke unnecessary misunderstanding or misapprehensions, and to act with humility, honesty, and integrity.

Regardless of whether at work or in a private situation, we should pay careful attention to traffic safety, obtain basic legal knowledge, and be aware of common social protocol. We need to do this so that we can be sensitive to illegal or criminal acts or acts that are against society’s common morals, and take swift and forceful actions against such acts.

This Chapter III introduces examples of TOYOTA’s engagement with society and provides issues that we should be aware of, and what TOYOTA expects of us when engaging in social activities.
